SPOTLIGHT

Valentine's Sewing Workshop with Brooke

Members of TAGS Youth Forum (TYF) joined our Valentine's Sewing Workshop on February 11th. Brooke showed everyone how to sew conversation hearts just in time for Valentine's Day. The insides of these sustainable pillows were stuffed with recycled scarves.

Reuse Stakeholders Meeting at Urban Machine hosted by StopWaste

Lynn and Hailey collaborated with many other Bay Area organizations at this event. In addition, they viewed a demonstration of the Urban Machine removing nails from recycled wood. The goal of this meeting was to network with other sustainable groups to better serve our beautiful community. StopWaste is an agency that aims to reduce waste within Alameda county.
